

OUR VIP PODCASTS ARE NOW AVAILABLE ON AMAZON DEVICES

To Get Started: Say "Alexa, open AnyPod". After the greeting, for example say "*Play Tanya Free on the AMFM247 Broadcasting Network*" or whatever podcast you want to hear.

When a podcast is playing, you can say "Alexa, Next" or "Alexa, Previous" to play the next or previous episode.

If you want to skip ahead, you can say "Alexa, ask AnyPod to fast forward 2 minutes"

If you want to go back, you can say "Alexa, ask AnyPod to rewind 30 seconds"

Just Enable ANYPOD for free. AMFM247 VIP Podcasts can be accessed on all of your available Alexa devices.

To Enable ANYPOD, go to <https://anypod.net/discover>

Then type AMFM247 Broadcasting Network, LOGIN to your Amazon Account and ENABLE.
